“ Mrs. Casto was our foster granny at Point Harmony Elementary for many years. The students and staff were blessed in so many ways to have her as part of our school family. She truly enhanced the lives of all that knew her. Love and prayers to her family! Much Love & Condolences,

“ Mark and Tracy I am so sorry to hear of your loss. I had always wondered where Norma had moved to as I no longer saw the "Merry Christmas from the Casto's" decoration that was always on her garage door. I had the privilege to get to know her when I rented the place behind her. She was always the sweetest lady. I know she will be very much missed.

“ Norma and Mom (Ardith) were such good friends and Mom would be so sad to know this. She was a wonderful lady. Blessings to the family and I will be praying for you all.

“ Norma and I were room mates in the Ina Webb Travel Club. She was a wonderful Christian lady, a wonderful friend and I loved her very much. My regret is she probably thought I didn't care about her anymore. I sent several cards to Harmony at South Ridge and got them back. I tried to go see her last June when I was in but she told me not to come without calling her. I did that but got no answer. I fell later on in the day and really hurt myself and was unable to come back into Charleston.
