“ She was one of the strongest, and most beautiful souls I've ever known. Her laughter was contagious, her love for others was boundless, and she had a way of making everyone around her feel special.

*Though cancer took her from us far too soon, it never took her spirit. She faced every challenge with grace and resilience, inspiring all of us along the way. I will forever cherish the memories, the laughter, and the moments we shared.*

*Rest easy, my friend. You will be deeply missed but never forgotten.*
