“ Pat and I were colleagues and friends at West Virginia State University in the Department of Education. She always expressed a positive disposition, and demonstrated a cooperative spirit. A warm memory: The Department had obtained a grant to assist parents with children enrolled at Piedmont Elementary. Pat presented a session with parents after hours in the community center at City Park on how to read to your children. She communicated techniques clearly and established an atmosphere of respect to all. Hers was a life well-lived! Jeanette (Lee) Farmer

“ I was so saddened to read of Pat's passing this morning. The picture captured her exactly as I remember her. We had a nice conversation during the Christmas holidays and I so wish I had touched base again. She was still upbeat despite her recent fall and the loss of her beloved Doug. They were such a loving couple and so proud of you Mark. I get comfort in knowing she is now with the love of her life-Doug. May she rest in peace. Thinking of Mark and his family. Love and prayers. Sally and Jim Preston-friends from our days at WVU while we were all in graduate school! ❤️🙏
