“ *Patty,*

Our story began at One Valley Bank when you were my teller trainer. You were old school and a stickler for rules. When I would earn a gold star sticker, I knew I was doing good. I felt a huge loss when you retired. When you started having medical issues, you asked if I would go to the Cleveland Clinic with you. I said "absolutely" without giving it a second thought. I was blessed to have introduced my son to you before this covid mess. I hope you knew how important you were to me. You were sweet, funny, loyal and full of grace. I love you Holbert. I treasured my time with you and will see you again. Whenever I look up at the night sky and see the gold stars twinkling, I will smile. Rest in Peace my friend with all my love.
