“ Pat was such a generous and welcoming lady. I was blessed to be a guest in her home and spent many hours on her back porch enjoying watching her pet humming birds, woodpeckers, and squirrels while drinking coffee and discussing life. She will dearly missed.

“ *I remember Pat Tackett from the church we all attended in the 80s and 90s. She was a loving kind woman who was always there for a children and friends. She will be missed by many but the memory of her will comfort those through her loss. May she rest in peace and may God help her family during this time.*
