“ Pat or by his nickname " FROG " as I knew him way back in 1980 - 1985, was always a very quiet some what reserved pal who really didn't say much about anything until Timmy would do or say something really stupid , Then o'boy here came a flood of hilarious one liners that always could get your eye's watering. I'm saying this in a good referance because of the four of us Pat was always on point with any come backs, and Nimmy was just to easy. Our litte rat pack is now gone,, because without frog it'll never be the same again. This comes from Russell Hickman . Also. the others were Douglas Hall & Timmy "nimmy " Pauley. We'ii miss you. my condolences to his family

“ I remember the when Patrick came for his interview at Kmart. December 1992 . Worked mainly in electronics. Then we worked together again at Mardi Gras Casino . We would laugh about me being his boss at Kmart then he was my boss at Mardi Gras. I had messaged him after finding out of his illness and he was the same as always. His crazy jokes on Facebook always gave ma a laugh. As Patrick was the same always. I remember when his daughters were born . He was one happy Dad and loved going to Disney with them.
Patrick I'm sure will be missed by his daughters and other family members .
R.I.p my friend and watch those crazy jokes with the angels. 🙏🙏🙏
