“ *Stan and family, I wish to extend my heartfelt condolences for the loss of Paul. No words can relieve the pain and emptiness your experiencing at this time, "I'm sorry" seem so inadequate, but through your faith, strength, family and friends, our Lord and Savior wil comfort you. Although I will not be able to attend the services, my thoughts and prayers will be with you. God bless each of you during this most difficult time.*

“ *Paul was technically not my uncle if you measured in blood, but ever since I could remember he was always there just like family should he. That made him family to me. I apparently had a silly infatuation with him at a very young age. I was horribly shy and Uncle Paul was able to get me put of my shell a little. He came to every single birthday party- rain or shine. I once had a pool party actually where it started to thunderstorm so no one showed up, but Paul sure did. For 24 years. My birthdays wont ever seem whole without him there anymore. I loved Paul, and he will always be family to me.*
