“ Paul was my nephew. Better known by the two of us as my little brother. It's difficult to explain the bond between us. Precious family love.

“ I am so thankful that Paul was a lifelong friend. And it is always so difficult to explain how one feels at a time like this. Another lifelong friend is his wonderful wife, Jane. Jackie and I want you to know, Jane, that you are in our thoughts during this difficult period. Paul was so fortunate to have you as his wife.

As time goes by, memories involving Paul will be recalled in conversation by so many of his friends. We look forward to any opportunity of having these conversations.
