“ Paul,

I really don't know what to say. So I will start by saying thank you for welcoming me into yours and your dads home. You were always nice to me and I appreciate that. I wish you would have spoke more about how you were feeling physically. Sometimes we could all tell you weren't feeling the greatest but when we would ask if you were okay you would always say yes. I hope you are at peace now with no more worries about anything. Dad is doing okay. I will always do what I can for him and to help him and your sisters.

“ So sorry for your loss Kenneth 🙏🙏 I didn't know your son but I know he was taking care of you. Brenda Harris always liked visiting with Dot Bailey from church. I don't know if you know but we lost Brenda in February this year. God Bless you and your family 🙏🇺🇸🙏🇺🇸
