

Rachel Dawn Redman

November 26, 1988 - January 13, 2025

A special thank you to Roger Brogan who fostered Klaus and has given him a loving home.

Known for her kindness, Rachel had a genuine, loving heart. She never met an animal that didn't immediately bond with her and had an enduring love for all of Mother Earth's creatures.

Throughout her life, Rachel faced many hardships but continued to persevere with grace, battling her illnesses until her final days.

In accordance with Rachel's wishes, there will be no memorial service, but her family and friends will gather for a Celebration of Rachel's Life at a later date.

The family requests, in honor of Rachel's love of animals, that any donations be made to an animal shelter in her memory. As Rachel often said, "Don't mourn me when I'm gone

because I finally made it home."

May her loving spirit bring comfort and peace to all who knew and loved her.

Bartlett-Nichols Funeral Home, family owned and located at 409 Sixth Avenue, St. Albans is honored to serve the Redman family.

“ Rachel, Years ago, I met you when I was friends with Josh Withrow. He and I went to your house and hung out with you and your sister Lindsey. It must have been around 07/08. I didn't get to know you all very well, but that was a fun time. I still remember it to this day. You had striking blue eyes, and you mentioned you love for the TV show Charmed. And I'm just going to say it, we all got high. Smoked a J in your mother's bedroom.

It was an interesting experience for me. I didn't have many friends and felt a sense of community with Josh and your family. We had some laughs and eventually it was time to leave. Not sure if I ever really saw you since then. But the news of your passing was still a surprise. Hard to believe Josh and Lindsey are gone too. I will probably always think back to those fun mischievous times. Hope you still get to have some where you are.
