“ Randy was on my bowling team last year and asked me to bowl with him in the state doubles tournament. I was happy to oblige him as I think he wanted to do that one more time. He will be missed for sure. My condolences to the family.

“ So love this picture of Randy with that hat on. My Dad made the comment one time to Randy how he loved his hat. The next time Randy saw my Dad he gave him a hat just like his. Randy such a thought and generous person. I remember the first time Randy and Linda went on a date. Such good memories. Love you Blackshire Family, Malissa Treadway
