“ Buddy was always so kind. As a student, he went above and beyond helping when he could. I remember being lost on my first day and him physically walking up the stairs with me to point out the classroom. He worked with my Uncle Chester who was also a custodian at SAHS. Rest in Peace Buddy!

Buddy was a person everyone respected and loved.. He loved Cabbage rolls so I would fix him a big pot. Buddy would help any one. We have lost a good soul to God.

I've known Buddy for 36 years, since I was a teacher at SAHS. He was truly one of a kind, always willing to do whatever was necessary to help. When I was principal and we moved into the portables Buddy made it happen. When we moved into the new building, again, Buddy made it happen. He cared deeply for the students and staff at SA. His sometimes gruff exterior didn't fool anyone because we all knew he had a kind heart. My thoughts and prayers are with his family I know you will miss him but I am confident that one day he will greet us again with a smile. Thank you Buddy....you are greatly missed.
