“ *Probably the most honest and best friend anyone could have. From grade school through high school and pleasant hill Baptist church and hunting up the holler, we always manage to have a good laugh! Rick, you are missed more than you can imagine.*

“ *Rick went out of his way to bring me sweet treats that were donut holes called smidgets at the time. He always loved watching Dukes of Hazard when I was a little kid. He was always someone who made me very comfortable to visit his home. He was kind and a very loving person. I will miss him very much! Favorite memory is him braving a slip and slide in the 80's and all of us laughing at his wipe out!*
