“ Robert (Bob) Hall is the reason St. Albans High School was completely renovated in the early 2000s. He attended the regular Kanawha County Board of Education meetings repeatedly to request a bond issue. Ultimately, others were persuaded by Bob's perseverance, joined in the push, and Kanawha County passed the first bond issue for schools in many years. Bob never asked for accolades, but the Red Dragon community owes him a debt of gratitude.

“ Robert and I were neighbors and high school classmates. We both also went to WV Tech. Fifty two years ago he was my best man when Rachel and I got married. Although we didn't see each other frequently, we kept in touch and enjoyed some good times together. We will miss Robert and fondly remember the years we shared. May God give Anne and family comfort as they try to move on without Robert.
