“ I have so many fond memories of Randy and his family, who always welcomed me with open arms into their home. Randy and my Dad at WKLC, my classmate, Ann (Randy affectionally referred to her as "Pork"), his sister, Janeabeth, and his lovely mother, Alma... lasting memories from 55+ years ago. Heartfelt sympathy and condolences to all of Randy's family.

“ So sorry for your loss. I first met Randy in a medical office I worked in many years ago. I no longer live in WV but happened to be at someone's visitation a few years ago, and ran into him. We both immediately recognized each other. What a very nice guy. May he rest in peace.

“ Kathy , Bev and I are so sorry to learn of Randy's passing. We just found out a few minutes ago. My memory of Randy has to do with our cat, Fang. Fang loved Randy and when he came down the street calling for Fang, Fang would take off running to see his Randy and get some treats!! Randy loved all the animals in the neighborhood and stopped and loved on them and gave them treats. Not only will I miss Randy but so will his furry friends. RIP my friend

“ Dear Kathy, Janeabeth, Ann, and other family members,

We are thinking of each of you, and in prayer during this loss of a special dear man in your lives. Randy's sweet and spontaneous love for life, family, friends, and sports, among other passions, brought much joy and happiness to many. The Robinson family (John Mark, Debbie & Les) are fortunate to share many fond memories of Randy and his family there in Saint Albans. His absence leaves a definite void in this broken world, and he will be greatly missed. Now, as you receive loving and caring friends in attendance for Randy's visitation and funeral today, may you also receive strength, encouragement, endurance, and peace of mind, from devoted and prayerful friends far away, knowing that each of you are greatly loved.

*Blessings, and our deepest condolences,
John Mark, Debbie, and Les Robinson*

“ *Kathy we are sorry to hear the passing of Randy. As a former neighbor, Randy and I had fun trying to stir things up when he had to wheelbarrow mulch on a hot day. I asked him if Kathy was bringing him water. Of course he said no to stir the pot. So I asked Randy if I could be his union rep. So I went back to my house and put on a business suit and knocked on their door and I informed Kathy of Randy's rights. Next thing we knew Kathy had turned everything around on Randy and I. And she said no dinner. We had a great laugh. And Randy still wheelbarrowed mulch. He was a great guy. Great times.*
