“ *To the world he was known as Joseph om me he was my Joey .. When thinking of a word to represent Joey it would be passionate. He was passionate about everything whether political view (don't get him started) to his gardens , farm (his happy place) but mostly he was passionate about his family . The hours we spent talking about his family from apple farm to present . He was very proud of his family . I will never forget you Joey you will always be my best friend and my love . Rest easy my Joey love you your Kitty Cat Catherine .*
