“ So glad I was able to see Uncle Rod this past year. I love hearing the stories from his childhood with my father, Gene. I will miss him! This photo is one of my favorites with Uncle Rod in the back, Uncle Glenn and my dad, Gene, in the middle, and Uncle Breck in the front.

Rod was my dad's uncle, my great uncle and my son's great great uncle. We consider ourselves blessed to have had him for so long in our lives. He was a wonderful loving man and he enjoyed the company of my toddler. I will miss seeing the smile on his face everytime we would visit and the wonder and amusement he had watching my 2 year old son. I know he's in a better place but here today we lost a part of who we are. Love you Uncle Rod we will miss you.
