“ We have known Rodney for the past 20+ yrs. We were mostly in the same places much of that time, a football field, baseball field, or basketball court....always great fun! Our son's last yr of Little League was a great one and Rodney was a big part of that. He decided to have his company, H&M Home Improvements, sponsor the former Dana Curry team. Rodney was fun to work with and the boys had another very successful season! I know Rodney's children and the mother of his children, Jackie, will miss him very much. Likewise, our family and many others in the SA Community, though many are the memories, will miss his presence. As time goes by, children grow, and people once close, may grow apart...but those memories last a lifetime. So very young, Rodney will be remembered by so many.

“ *"What can be said but to soon and you will be missed. You and your family came into my family's life when I was just a boy. You took me to my first WVU football game and my to my first NASCAR race. You taught me many things as a young man. You taught me how to swing a hammer and cut a straight line to how to drive a boat and dock it without killing myself and you. You helped instill into me the work ethic I live by still to this day. You helped raise two wonderful children and help mold many others within the St. Albans High School community through the years. You and your family will always be a part of mine. You were a mentor, friend and family. We will all miss you greatly."*
