“ I am so very sorry to hear about your loss. My prayers for you Linda and the family. Ron and I became friends through the little league at Kirk Field. Ron was a Manager and coach. Ron helped the league do many things on the field and off. He helped us work on the field with his equipment and knowledge. Ron always worked in the background never wanting people to know who did it. No praise for himself. A great man and friend.

“ I attended Watts Elementary and Lincoln Jr High, as well as the Brownies and Girl Scouts with Barbara. My family is buried nearby and I've placed flowers on her grave for many years and will continue to do so for as long as I'm able. I didn't know Mr. Spradling. I'd like to offer my deepest sympathies to his friends and family.

“ I will miss Ron, a man who, along with Bob Walters, I had the pleasure and privilege to represent as an attorney, and to help many years ago. I so admired Ron because he represented everything good, and great in life. Ron personified honesty and hard work, and was generous and kind in his work, thoughts, and endeavors. So sorry for the loss of Ron - while we on earth lost our friend, Heaven above gained a true angel. Prayers and blessings of peace and comfort to the Spradling family on your loss. Susan and Jim

As a consulting engineer, I worked with Ron and Rover Construction on many infrastructure projects over the years. Ron was knowledgeable, fair, and easy to work with. Rover Construction always provided high quality construction and I considered them one of the best Contractors.
