“ Spent many hours with Miss Rose learning of her life growing up in Boomer with her brothers and sisters. She truly had some delightful memories. We had a good time preparing and sharing lunch, and I truly appreciate her teaching me about microwaving pepperoni to make crunchy little snacks!

“ *Angela, Fred, and Loretta,
I am so sorry to hear of the passing of your mother. I remember her beautiful smile, and her warm hospitality, how much she loved you all, and enjoyed having your friends over when we were in school. She would drive us to Jr. High in the mornings, but neither of our Moms would drive us when it snowed! She was a great neighbor. My sympathy and prayers for comfort go out to each of you.*
