“ I spent a lot of time boating, hitting night clubs and just about everything else with Ross in the early 70s. He was like a younger brother to me. He was a groomsman in my wedding to my wife Linda. He was always cheerful, always friendly, always smiling and laughing and always there for me. Those were some of the best days of my life boating and skiing on the river with Ross and Phil Gibson. So rest peacefully my friend for it's a far better place you go than you've ever been before!

“ Ross and I worked together my first summer out of high school at Carey’s Sign Company. Our job was to cut back all the tree branches and brush in front of all the billboards. We also commuted back and forth to WV State for over a year. He was one of a kind and brought a lot of life to the party. Always full of fun and laughter. RIP Ross.

“ I’m so sad to hear this news. Ross was a great friend back in high school. He was always so much fun. I’m sure everyone in the Class of 70-71 will be sad to hear this too. I remember one night in KC he had a two seater bike and we went for a ride. I was on the bike. We were going so fast and around corners I thought I was a goner. Such a great guy. Love you Ross. Kathy - I am truly at a loss of words because words can't explain what you and Ross has meant to our family during your entire 41 years of marriage. We know we are chosen family with so much love no matter what. I was so blessed to be standing beside you on your wedding day to holding you as I experienced the most beautiful love between two soulmates. I will never ever forget Ross's words of "I love you more" when he could barely speak. What makes this parting bearable is knowing you will be with him soon when our Savior returns. And everybody in heaven's name is now "Baby". Love you always - Debbie
