“*Ross was a very special godly man. He was inspirational in my family's life. He was a true example of what a Christian should look like. He truly cared about others, he was not fake in anyway. He will be deeply missed by all those who knew and loved him. Praying for the family in these difficult days and the ones ahead.. Praying for Peggy as she adjusts to a different life now. She is also a strong godly woman and will get through this. My prayers are with his entire family as they go through the grief process. It is comforting to know they have God and each other to help them through. Rejoicing with Ross in Heaven and grieving with his family left here to carry on without him.*
