“ *i just learned of Mrs. Dunlap's passing today...i have way too many memories of this lady to even start writing here...I love this family and spent quite a bit of time with them when we were younger. I had such a wonderful growing up time with them all in one way or another! Mrs. Dunlap never failed to surprise me with her frank outlook on life and i too, was heartbroken when Glenn passed. I spent so much time at the house with Susan and a lot of time with little Ronnie around. She has made a real impact on my life and i love her! My heartfelt condolences to Johnny, Kathy, Susan and Ronnie, and all family and friends who love her.*

“ *Ruby was one of my dearest friends and coworkers at Towne and Country Bowling Lanes, where I was manager in the late 70's and early 80's. Every time I saw her, I would sing Ruby, Ruby, Ruby will you be mine? (the old Dion song). She would just smile in approval, as if to say, "yes, I will". She was genuine, kind and patient to a fault, having the task of dealing with all the rambunctious children in the nursery. Ruby was someone who would listen to your stories or problems and have a sincere, comforting thought in reply. She was a very special person who has crossed my mind many times in the years since we worked together. Rest well, Ruby. You are in your deserving place in heaven and a special place in my heart. With loving memories, Patty Kennedy.*

“ My mother and I were just talking about Ruby a few weeks ago. She is the one constant thing I remember from the bowling alley and growing up there. Even through my teen years, whenever I'd be at the bowling alley, years after I was too old to go to the nursery, I'd still go just to visit her. I've missed visiting her since she left and had no idea of how to get in contact with her. I wish I had tried harder. My thoughts and prayers to her family.

“ I will miss Ruby terribly. She was a wonderful neighbor and friend. We shared many good times and laughs while out shopping, going to the beauty shop and going to Walmart where we always had to stop at Arby's to get her favorite mozzarella sticks. The time that I knew her I saw that she had a very kind heart and a very special love of animals. To Johnny, Kathy, Susan and Ronnie, I am so sorry for your loss and I hope that your sadness passes quickly.

“ My thoughts and prayers are with Ruby’s family. My brother and I were just a few of the kids Ruby loved and took care of at the nursery at Towne and Country Bowling Lanes. Even years after we left (grew up) any time I would see Ruby out in public, she always knew who I was and would take the time to stop and catch up with me. Ruby was a very kind, loving woman who I will dearly miss !

“ Ruby was a tough woman who feared nothing and no-one. She was my Grandmother, and although her way of showing it was unique, she loved her family and we loved her. Good or bad, and whether she knew it or not, she had a huge impact on the people we are today. I pray that Ruby is at peace, and that we find comfort in the good memories we have.

“ I knew Ruby as a neighbor for 55 years. We had many conversations on her front porch where she would confide her inner feelings. I will miss her forever and 5th Avenue will not be the same without her.
