“ She was more than my favorite Aunt, she was my partner in crime, rock that I leaned on whenever I had problems and she was always able to make me feel loved and protected. Through the good news and horrible news, I knew I could count on her hugs, to remind me that I was tough and she would be there with me for everything. And I love and thank you Nonna for that more than you can ever know!! Saying "I love you" doesn't cover my feelings for you!! I'm broken hearted, but I know you are with Buzz, which makes me happy. Say "Hey" to Michael, he's probably thrilled to see you too!! Until Valhalla, Shorty.💔💔💔💔💔💔

She is amazeballs!! She meant the world to me and always was there whenever I needed her!! I wouldn't be as far as I am without her. She would tell me after every treatment how strong she and I were together and we were going to kick it no matter what the doctors said. I believed her because she was a feisty redhead and I was too, nothing, but nothing could get me when she was with me!! I'm certain she is beyond ecstatic to be with Uncle Buzzy again!! I miss you Nonna and love you more!!💔💔💔
