“ I remember Sandy Prather from several of the Prather family reunions held in Elizabeth (Wirt County) in the recent past. She always talked a lot about her experiences as a social worker, and it was always interesting to me to hear about the somewhat rugged side of life she had been in a position to observe firsthand. She made it clear that it was easier to see other people's problems than it was to solve them, though she was definitely trying to help solve them. Listening to Sandy made it easier to understand a lot of things that come up on the evening news. She was in one of those situations where "it's a tough job, but someone's got to do it". She left us much too soon, not long after her father who was the oldest person at those reunions.

“ What to say? All of the adventures we shared over many years....running the roads, Wirt county, all the times at the Prather home, even riding horses (course Sandy ended up flat on her back in a mud hole-lol), and so many more. Gonna miss you great friend. My thoughts to all the Prather family. Remember the good times. Love you all.

“ I was so saddened to learn of Sandy's passing. Although we lost touch I have so many memories from Anthony's, the Eldorado, fishing at the farm, endless games of Skipo, Wirt county, Monday beach and her famous birthday parties in the day. My heart and thoughts with the Prather family. RIP my friend.

“ Sandy and I had been friends since 3rd grade. We had a lot of adventures throughout junior high and high school, attached is a photo from a slumber party in 8th grade. Sandy had a great sense of humor and we laughed a lot together. I loved to wake her up when I spent the night at her house by jumping on her back while eating a bowl of chocolate ice cream for my breakfast. Sandy was a loyal friend, had a tender heart for anyone downtrodden and was witty in all circumstances. She will be greatly missed.
