“ I have so many memories I don't even know where to began! You always had my back no matter what. You always made sure I was ok and I talked to you previously and you told me you were good! I wish I would have known how much you were truly hurting! You are going to be missed so much by me. This broke my heart so much. Thank you for everything and continue watching over me! I will always listen to Charlie Wilson and think of you singing those songs! It's not goodbye it's see you later! I will see you later Scott!

“ *Scotty was more like my little brother than my cousin. Me, James ( my brother) and Scott were always together growing up. We were like the 3 amigos, the 3 mustakers. He was always so Humble. He had the biggest heart. Always cracking jokes and making everyone laugh He will definitely be missed by so many. Our entire family is heartbroken* 💔

My they look after each other in heaven and keep watching over us down here. I am so sorry Tammy.*
