“ Larry, I was trying to find you on the internet and came across this obituary. I remember spending time with you both when we were in Lemoore. Later on when I would call every few years Sharon always recognized my voice. She was a sweetheart. Hoping this gets to you somehow being so late.

“ Sharon was like a second Mother to me. Her presence always comforted me. I loved growing up beside her, and her family was like my own. The world lost a wonderful woman. I am so sorry that I couldn't be at the service but I was there in spirit. I love all of you,
