“ Mrs. Kirk was my neighbor when she lived on 7th Ave., and since then, I've considered her a friend. The first time I spoke to her, I made the mistake of calling her "Ms. Kirk". She set me straight pretty quick. She told me her name was Mrs. Kirk. From then on, she'd talk my ear off every time we talked. Sometimes, they went on for hours! I'm really gonna those long conversations about, well, nothing really!
