“ I’ve known sweet Stephanie since I was just a kid in latchkey with Micayla. Micayla has always been like a sister to me, and Stephanie has always been like a second mom not only to me, but all of Micayla’s friends. She has always been the kindest and sweetest soul, and would do anything for anyone she loved. I was blessed to know her for as long as I did. I’m sending so much love and prayers to everyone who loved Stephanie ☐☐

“ Michael and Micayla, I am so very sorry. I am sorry I can't be there with you guys Saturday as I will be out of town. Stephanie was always so sweet and showed nothing but love to me. There wasn't a conversation in person or on the phone that didn't end with I love you. That's how her heart worked! I love you guys.

“ I only knew Steph through Facebook as we were both Pittsburgh Penguins fans. I met her through our Penguins group and we also loved to share stories of our travels to Pigeon Forge/Gatlinburg and Myrtle Beach. I do know how much her family meant to her as she shared her life with me. You are all in my prayers.

“ I have countless memories of Steph and I. She was there when I got married. I was there when she got married and when she had her sweet girl, Micayla. We were each other's support and partners in crime. I loved her like a sister and I can't imagine life without her. Now she's with her dad, mom and brother. I will see you again someday!
