

Stephen Inman

October 2, 1951 - December 18, 2024

Our beloved Dad, Poppy, uncle, brother, friend, Stephen Inman, went home on Wednesday, December 18, 2024, surrounded by his family.

He will be lovingly remembered by his wife of 34 years, Rachael (Miller) Inman; children Sarah Glass, Jenna Inman-Bustle (Casey), Hannah Black (John) and Andrew Inman (Courtney); grandchildren Miles, Evie, Lex and Caroline; sisters Lynn Moreland (Mark) and Rosemary Cook; as well as numerous relatives and friends.

He was preceded in death by his parents (Vera and Jimmy Inman), his sister (Connie Leshon), his brothers in-law (Sonny Cook and Charles Leshon) and his grandson (Eamon Bustle.)

In his 73 years of life, he had many accomplishments. He was a graduate of St. Albans High School Class of 1969. He had a 38 year career at the Air National Guard where he retired as a Chief Master Sergeant. He then drove the school bus for Kanawha County Schools for 10 years. He also served as pastor for the United Methodist Church for 20 years. He was a second-degree black belt in martial arts, a marathon runner, a fly fisherman, an avid outdoorsman, an exemplary husband, father and Poppy. Most of all, he would say he is a sinner saved by grace.

Steve's memorial service will be held at 1:00 P.M. Monday, December 23, 2024, at Bartlett-Nichols Funeral Home, St. Albans. Inurnment will follow in Donel C. Kinnard Memorial State Veterans Cemetery, Dunbar.

“ *I have so many memories of Steve. There's no way to share many of them. I do know that he loved the Lord, he was a great friend, he was always willing to help whoever asked and he was one of the best story tellers that I have ever known. Some of the hunting trips with his friends, deployments with his comrades and times at the Air Guard. He taught me alot overthe years that I knew him. Prayers for the family.*

“ Steve was always a man of honor, integrity, and distinction. He was always kind, thoughtful, deliberate, and helpful. He seemed to instinctively know how to find solutions that brought the best outcome for the most people. He was one of the good ones for certain. I send my deepest sympathies to Rachel and all of his family. I am sure that he will be deeply mourned and missed. Although my thoughts and wishes for your comfort and peace can do little to ease your pain, they are sent with love and light.

“ We are so sorry for your loss. I know Steve will be missed dearly. I have many memories of Great Uncle Steve. So many memories from years gone by. Some of the memories to include The many sleigh riding parties the whole family would have as we would all be scared out of our minds riding on old car hoods down the hill and ending up in the creek with Steve laughing . All of us warming up beside a fire made of tires and black smoke. Steve pushing Sarah and I on the Old Tire swing he had made in front of nanny's house. Lounging in the home made hammock. Going on insanely fast car rides out smith creek road and jumping the big hump as it felt like your stomach would never recover. Watching Kevin and Steve on canoes as they would float browns creek during the floods. Many many family dinners and Steve would play foot ball with us in nanny's yard. The list goes on and on. Steve was there with me when I was baptized in the baptistry. So many memories.that the list could go on and on . I know there is a glad reunion taking place right now. Id say Nanny had some fried chicken and a big pitcher of tea waiting by a fresh built fire in the fire place and PaPaw was waiting with some chocolate covered cherries and ready to watch a Cincinnati Reds game . Praying for each of you .

“ I met Steve in 1981 and worked next door to him and later for him until 2005. A book could be written about his pranks and motorcycle escapades, but you'd need more than a few volumes. He was simply a "one of a kind" kind of guy and I was privileged to have known him. So many memories...

“ There will never be another Steve Inman. I worked with him for many years at the Air National Guard, and the memories of Steve and his many pranks on co-workers have occupied my brain today. He was so much fun to be around on the hill, and out on Mini C-130 trips. His antics would bring a smile to everyone's face...unless you happened to be on the receiving end of one of his pranks! A friend to all he certainly was, and if you needed help or advice, he was always a willing provider. I was blessed in life, to have crossed paths with Steve Inman.

“ It's hard to imagine that Steve is gone, I've so many great memories of our times together. Always with a smile - full of energy. Always ready to help with anything. We go back more than 30 years. He was a credit to the West Virginia Air National Guard, even in the Guard he volunteered in many civic groups. Memories with Steve will last - all of them were good. God bless you my friend
