Stephen & I (Joyce) grew up together in Dille. We often raided Vada's garden for goodies. In high school Vada always had a place for me when I had to stay over after school. The family was good to me. We would often gather with my brothers Mark & Dave at our house to play some music and other pastime activities. A Bumtownner he was. Love & prayers to all the family

So sorry to hear this. Steve was a great friend whom we met through Carbide. He and Tom became great friends both in business and fun times. We had such good times on the boat at the Regattas at Saint Albans and Charleston. Hope you, Tom and Noble have some great laughs. Will miss you.

“ *Eric, So sorry to hear of the passing of your Dad. My Great Grandparents were Leo & Opal Lykins. My dad was Mike Acree, he passed in 2021. I always enjoyed the family pictures your dad shared. I have fond memories of visiting & going to Rad & Vada's house. Take comfort in your memories. Your family will be in my prayers.*

“ *Uncle Steven, you will be so missed. I loved our talks on the phone you always made me laugh. I'll always treasure our walks in the forest behind Paw Paw's house and the beautiful untouched creeks and waterfalls we'd encounter. Our hours of badminton and you always spending time with me. You were my favorite Uncle and will always be. Please give all our loved ones a hug for me. Until we see each other again know I'll forever love you* ❤️
