“ I’m sorry to read this. I remember one time Steve and I were at a cemetery where the family dug the grave. It was in the middle of summer and awful dang hot. There was one old guy ( like in his 80’s) to back fill. Steve grabbed a shovel and said we’d take care of this. He shoveld, I shoveled, the old guy shoveld and we got it done. That was Steve. Get it done. Thoughts and prayers for Joan, Scott, Kelly and all the family.
