“ We are devastated to learn of Steven’s passing. He was my youngest nephew beginning in 1967.

I found his obituary this morning after having a dream about the family last night and feeling that someone had passed away.

I have many memories of him including birthdays, thanksgivings, and many other occasions with pictures.

I hope to see him again someday and my prayers are with the family as always.

Love to you Steven

“ *I’m so sorry for your loss. I worked with him at CAMC and always enjoyed my shifts with him. He was always full of laughs.*
