“ Mrs. Blake was my fourth grade teacher and the impression she made on me has been life long. She was always so helpful but always so loving and encouraged you and held you up until you made it then always celebrated your accomplishments! Her heart was solid gold! She is one that will always be remembered...never forgotten. Love her so much! ❤️ My thoughts and prayers for Kenny, Stephanie and Steven.

“ Suzie was a precious soul, who had a wonderful laugh. She stayed with us a lot as I was growing up. One evening we were sitting at the dinner table and mom placed our dinner on the table, as soon as Suzie saw the Liver and onions with mashed potatoes and peas, said "Patsy I can't eat that". MOM looked her nose to nose and said "you will eat it or you will not get up from this table". Suzie cut a Very small piece of the liver covered it with a tablespoon of potatoes and chewed on it for 5 whole minutes, then using her cloth napkin spit it out into the napkin. She cut a large piece covered it with the potatoes and put it in her mouth waited a minute and wiped her mouth. She then took another bite and did the same thing. I was watching her and she cut another large piece covered in potatoes and after another minute she brought the napkin up to her mouth and coughed as she took the napkin on her lap all three pieces fell out on the floor, I quickly put my foot beside the pieces and leaned down and picked in my napkin. Suzie asked mom if she could be excused and mom looked at her plate and told her to eat some of the peas first. As she got up she kissed me on the top of my head. Suzie was truly one of a kind, special.
