“ I worked with Suzette many years ago at Stone & Thomas. I remember her with ALWAYS a smile on her face and she was a very happy person. I remember that she spoke about her husband and young son with so much love. She was a ray of sunshine and I enjoyed the little time we spent together. I'm so sorry for your loss and sorry I lost touch with her over the years. She is gone at such a young age, but was such a beacon of light while she was here. Sincerely, Kim
