“ *Tammi was amazing. I didn't know her outside of the hospital, but even years after having her take care of patients in VICU for the surgeon I worked for, I can still remember her so fondly. Her voice. She was always “even” and calm. Her smile. Always greeting me with a huge one. Her patient care. Top notch. Her leadership. One to be admired. I can't find all the words to describe how much I loved seeing when she was on duty. What a loss I'm sure her family, friends and coworkers are feeling. I'm holding space in my heart for each of you and for her. She was an amazing soul for sure. RIP, Tammi. You did great work here on earth. Thank you.*

“ *Tammi and I lived on the same street in middle and early high school. We were great friends. Wonderful memories and fun times we had. I will never forget we saw the Amityville Horror movie together and I made her spend the night with me afterwards. Kindness doesn't begin to describe her. I'm glad Facebook allowed us to find each other after many many years. My heart goes out to her family.*
