“ Pops... there's so much that I could say right now but I think you know how I feel inside and how I look on the outside. This is a really bad dream that I cannot seem to wake up from. I have such a heavy heart and can't seem to talk to anyone without cryin and when I get asked how I'm doin, it's that much worse. You taught me so much growing up ! You taught me to be strong, independent, and to be level headed. You taught me how to do simple things in life and taught me how to get through the hardest things in life. We have so many memories together from me settin at the kitchen table peelin and eatin shrip dipped in hot sauce at a very young age to passin out several times while you gave me my first tattoo. I was NOT ready to loose you... You are way to young for this to have happened ! I love and miss you Poppa bear.. we all do.. especially Zachariah ! He just bought you a new hot wheels car on Tuesday and was really excited to see you smile so big when he gave it to you, instead he is devastated knowin you will never get to see it now even though I told him you will see it everyday. Anywho, before I keep writing a book. It is never Goodbye... I'll see you later ! Until then please give Nik a kiss from me and hug each other as tight as you can ! 💔🥺 -Shante'
