“ So many memories..my favorite, riding down the highway singing Shania Twain’s No One Needs To Know. Terry was a mother to me for several years, I’m grateful for the love, compassion, and friendship she gave me on a daily basis. Sunday dinners, movies, and more. I wouldn’t be the person I am without her.

Love,
Sara Lou

“ I enjoyed working with Terry for many years at Bridgeview and Edison. She was a kind, caring, dependable person; she had a big heart for all the kids she worked with as a special education aide and kindergarten aide. She was so proud of her boys. You could tell she loved her family dearly from the way she talked about them. I am sure your hearts are broken. Prayers for you and all the loved ones she left behind.

“ I will always cherish the memories I have of Terry and my Uncle and cousins Stan and Craig. She was loved by all and this photo was one of the last times I had most of my dad's side relatives. My heart breaks for her passing and for those closest to her, but her memory will live on in all of us. RIP my sweet Aunt Terry ☐

“ She was a wonderful grandmother. I remember that I loved coming over because I would play with Barbie dolls and she would make a great dinner and breakfast for when I stayed the night. She was a gift, that's for sure.

“ Terry knew sign language. While sitting at a restaurant she noticed Roman signing he wanted more. More food. Lol. I remember she played dinosaurs with Roman and he went home and played with them every day.
