“ Love love love him!!! He was and is such an amazing man, his memories will live on forever in my heart and my sons! He admired him so. I was so so thankful for Terry and his son and the rest of the family to be so kind and such amazing people to be around! All of our memories and laughs, playing cards, listening to music, and him teaching me how to cook new things I would call him “chef Terry” and he’d just chuckle, he loved his family and son and always was up and ready to conquer whatever life threw at him and a new day!! I’m so inspired by his willpower he refused to let anything get him down, and always had such good stories to tell I could learn from! All the advice I will carry with me and on down to my children. We always felt we were welcome and you had a way of being so welcoming and giving unconditional. You are loved more than you know & one of the sweetest souls I’d ever met!!! I cherish my time we had spent with you out on the swing on the porch enjoying the beginning of summer days and homemade lunches. May peace be with the family. 💜💜💜
