“ So many memories of Tim to count but some of the best revolve around the marriage of my childhood bestie Leah and Tim's oldest Chris. He was absolutely the life of the party and event that he was in attendance. Anyone that knows him was probably welcomed into their family instantaneously. If you could quote anything from Andy Griffith or you loved the mountaineers you were a shoe in. His love for his family was unmatched. His infectious personality could keep you entertained while watching paint dry. My thoughts and prayers are with his family and grandchildren. Fly high Tim, watch over those grandbabies.

“ So sad to hear of Tim's passing. His Father played bass guitar for my Dad and uncles for many years, The Allen Brothers QT. Art and Mabel attended Mt. Tabor Church of God when I was a much younger man. Prayers are going up for his wife, children, grandchildren and family. Jesus has gained another soul in that land where we will never grow old.

“ From the moment we pulled into the driveway of our new house, Tim welcomed us not only into his home but also into his family. Tim was the most amazing neighbor you could ever wish for, and he always went above and beyond for our family. From sharing his farm fresh green beans, to watching our dogs while we were out of town, we could always count on Tim. We always enjoyed sitting on the porch talking to him. You could get lost in conversation with him for hours. Tim was so proud of his children and grandchildren and shared so much marriage wisdom with us. He truly loved his wife Shelia. The world really would be a better place if we had more Tim Harvey's in it. We will forever be grateful that the army sent us to West Virginia so our paths crossed with Tim's. Rest in peace our sweet friend and neighbor. Sending our deepest condolences to Shelia and the rest of the Harvey family.

“ Mr. Tim was one of the best neighbors ever. He would let us scooter in his drive way. He was nice, kind, and funny. He would even watch our dogs when we went on vacation. Mr. Tim was so amazing.

“ I liked how Mr. Tim used to watch me walk on my rocks. I loved how he always saw me have a different toy. I am glad he was my next door neighbor. He made me laugh because he was super funny.

“ My condolences to Mrs. Harvey, Sheila, and Tim's sons. I am so sorry for your loss. I have many fond memories of Tim. He used to join me, my cousin, and others to play football on the big field between Henry Street and Kanawha Street. Those were some good times. I have not seen Tim for many years - probably before I moved to Delaware in 1984. I always enjoyed talking with Tim. Again, I am so sorry for your family's loss. (I am Bobby Clark's oldest daughter.)
