“ This is Charlie Buck, I first met Tim and Dayton back in the early 80's when we were in the same bass fishing club. I always enjoyed being around him and fishing with him, one of the nicest guys I have ever fished with. I am very sorry for your loss, he was one of the nicest people I have ever met. I remember at our club weigh-ins, both his dad and Dayton's dad would show up and listen to our stories on how our day went, then proceed to tell us what we did wrong and how to fix it.

Tim, save some fish in that big lake in the sky for the rest of us when we get there, Rest in Peace buddy.
