“ To all of Todd's family & friends. We all know this already but it is worth saying again.

This world is less off without Todd in it. His endless supply of heartfelt care and concern cannot be matched. He certainly filled his role of caretaker for all of his brothers & sisters in arms with all of the passion that was humanly possible.

I'm sure that the almighty God above has wrapped is loving arms around him already. Likewise he will provide you comfort for your loss. AMEN!!!
