“ Troy was a genuine good person. He was so much fun from elementary school to high school. If anyone could get Mrs. Selby going in 5th grade , it was Troy. He was so much fun to be around, always had a smile on his face.

*Troy is one of my oldest and dearest friends. So many memories from elementary school, through junior high and high school and beyond! He was always my friend.
A few things....he was taller than our 6th grade teacher, Mr. Wolfe! When we were at McKinley Jr High...Coach Smith always called him "Troy my boy" and me "Angie baby" :) In high school we went on a field trip to the women's prison and all of the inmates were yelling out to him wanting him to stay :) and in 1994 we was with me the night I met my husband. Troy was and will always be very special to me.
