“ I am so very sorry to learn of Vickie's passing. She was very kind. We worked together with the kids for a while at Kimberly. My prayer for you is that God wraps His arms of comfort, peace and strength around you.

“ I'm so very sad for our family. We lost a strong brave warrior that we all admired for her strength through the years. Mike, Michele, Travis, and all of her grandchildren were so very loved by Vicki. May you find peace in the days ahead. I will miss our conversations and will always remember your bravery.

“ Vicki was one of my favorite cousins because we spent a lot of summertime fun at the farm with family picnics, jumping in the leaves, laughing and enjoying being together. Uncle Miller was one of my favorite uncles' maybe because he always brought Pepsi!

Last July 2023 was her last visit to the farm and we celebrated her birthday with apple pie. We laughed and shared memories and I treasure that time together. She said that might be her last visit but we prayed for many more visits to come.

Just before our grandmother Emma Fink passed, she said to Melva her daughter, "It is so beautiful over there" and now Vicki has joined her in that beautiful place.

Love to the whole family,

Sandra
