“ Sweet cousin Vicki. I can't think of a time that you weren't smiling that beautiful smile. After you got sick you were uncomfortable in a group setting but you and Frank still came to visit mom in hospice. One day I was the only one there and mom was asleep when you and Frank came. It was one of the last times I saw you but it was almost like old times. I cherish that memory of you. Rest in peace until we meet again.

“ Vicki will be missed. She was first my friend starting in grade school. She was a beautiful soul, and she loved her family and friends. She was an avid reader, always laughing and dancing about. I will miss you Vicki, love always.
