“ Our dearest Mamita, an auntie whose beauty shone from within. She was kind, gentle and deeply religious .A woman of strong faith who trusted God in every season of her life. Her prayers carried love and her heart carried everyone.

Mamita, I will miss our long talks with your simple jokes and laughter that recognizable - warm, joyful and full of life. Eventhough you lived far away from many of us, your love never felt distant.

Your family is your greatest joy, your pride and your heart. You also cherished your siblings, nephews, nieces and in laws dearly. No matter the distance you remained connected to all of us with unwavering love.

Mamita, you leaves behind a legacy of faith, kindness, laughter and devotion. Your smile will forever shine in our memories. Your laughter will echo in our hearts.

*We love you always Mamita ❤️, heaven's gained another angel ☐👼
Rest peacefully in God's eternal embrace. Till we meet again ❤️🙏

“ To my beautiful Mamita,

Thank you for all the love, kindness, and memories you shared with our family. I will always remember your laughter, your warmth, and how you loved to dance and bring joy to everyone around you. You had such a caring and selfless heart.

I will never forget how you always reminded me to pray, sleep early, take my vitamins, and study hard. Those reminders meant so much to me. Because of you, I will continue doing my best and studying hard to make you proud.

I often think about the last time I saw you when you were leaving for the airport. If I had known that the hug I gave you then would be our last, I would have held you a little longer.

Even though you are no longer here with us, your love will always stay in my heart. We find comfort in knowing that you are now at peace and resting in God's care. I believe that one day we will see each other again, and when that time comes, it will be a happy reunion.

You will always be missed and never forgotten. Rest peacefully. I love you always. ❤️

“ Mamita, you will be deeply missed. Thank you for all the beautiful memories, the love, the laughter, and the kindness you brought to our family. I will miss our video calls whenever I travel. It will never be the same without you. I will miss our chitchat

You loved to dance and always brought joy wherever you went. You were such a sweet and loving sister, a devoted and great mother, a faithful and loving wife to Tito Roger, and a caring aunt to all of us. You had such a kind and gentle heart.

We are comforted knowing that before God called you home, you made sure everything was fine and well. We are especially grateful that before you left, you accepted Jesus as your personal Savior. We know that you are now in the hands of God, resting in peace.

“ Today, we say goodbye to our beloved Mamita . A jolly, sweet, and loving soul who brought happiness wherever she went.

She loved to dance, and whenever she did, she filled the room with laughter and joy. Her smile was warm, her heart was kind, and she had a special way of making everyone feel loved and welcome.

Family meant everything to her. She deeply loved her husband, cherished her siblings, adored her nephews and nieces, and most especially treasured her daughter and grandchild, who were her greatest pride and joy.

Though our hearts are heavy, we will always remember her laughter, her love, and the happiness she gave us. Mamita, you will forever live in our hearts.

Rest peacefully. We love you always. 🧡
