“ Diane, Pam, and Gary. So sorry to hear about your loss. I wish I could have come to her services, but my thoughts and prayers are with you all. I always enjoyed visiting with them when Dad and I would stop by. They always made you feel right at home. They were both special people who were loved very much, especially Dad, loved them dearly. Every time I took him out, he always wanted to go to their house. Good memories that we'll always cherish. Sending my love to you all.

“ Carol and her family were our neighbors for many years. Quite often she would stop by and visit with us sitting on our porch just to pass the time of day. We dearly loved her and her family. The neighborhood will just not be the same. Love you Carol.
