“ My heart is full of memories, so many in fact that I can't choose just one. Uncle Walt was the example of the Savior's Love, and my 1st role model of a Loving Man of God. Our family was blessed that he married my mom's twin sister, and we were blessed to be a part of the Andrews family. Uncle Walt, Aunt June, Page, Jackie, Gus, Terry and Hattie, what joy fills my heart when I think of you all. Uncle Walt truly lived as an example of love, forgiveness, strength, kindness and warmth. He made everyone feel that they were the most important person in the room, and I always wanted to be a better person for having known him. I know as our tears fall for losing him, the Heaven's are rejoicing at his homecoming. We'll see you on the other side Uncle Walt. LOVE JoJo

Please know how much we care for you and your family. We are praying and grieving for you in the loss of your dad/grandpa. It has been a pleasure listening to the stories of Mr. Andrews in Gus's sermons, and day to day conversations. I am sure heaven has welcomed him with open arms. Sad for you left behind, but comfort in knowing all that the Lord has promised us. We hope you will soon find peace in the days to come. God Bless.

“ We have suffered a great loss at the passing of Rev. Walter Page Andrews. Walt was a dear friend of mine. We spent many hours studying God’s Word in the Tuesday Bible Study group at Simpson Memorial United Methodist Church. He was a true man of God who shared much wisdom and understanding. Hattie, Jackie, Dina and all of his family members will remain in my thoughts and prayers. May God grant you strength for today and bright hope for tomorrow.

Grace and Peace,

“ Uncle Walt had such a soft demeanor about him-(This was unlike most of his brothers including my father, Tom.) I never heard Uncle Walt say a negative word about anybody. He always had kind things to say about my grandparents (Mom's side) from the time that he spent with our family in Minnesota. I will forever appreciate the fact that he gathered his family to attend my mother's graveside service at Koontz Cemetery. My dad always said that Walt was the most intelligent of the Andrews family! Rest In Peace, Walter Page Andrews. You have family and friends waiting for you in Heaven.

“ One of the most Godly and wisest men I have ever had the pleasure of knowing. A very accomplished man in the field of electronics when brilliance was required. His demeanor was unrivaled in kindness and humility. Walts heavenly rewards will be great! Condolences to the family.

“ Walt Andrews was one of the most Godly men I have ever known. He manifested all the spiritual gifts and qualities we all should strive to emulate. Along with teaching our high school class at Gateway over 50 years ago, his Christ like demeanor and counsel encouraged many of us to follow in His Steps. He and June were such bright lights at Eskdale for so many years. May God comfort the family. God speed Brother Walt

“Walt and June have been neighbors to my family for many years. He would always wave or stop and chat for a few before heading to church or out for dinner. Such a peaceful man with a heart of gold. Rest easy, Mr. Andrews. Austin Drive will never be the same.

My older brother, Walter, called me "Annie". I never knew why. He was such an important part of my growing up. He taught me to roller skate, ride a bike, shoot marbles and even how to make a whistle from a paw-paw branch. He taught me to drive a car in his old, blue Ford and took me to Charleston to take my driving test. He never lost his patience through all this. I never saw my brother angry, even when I smashed his "Little Orphan Annie" badge with a hammer. (I was the angry one.)

. He was a role model for me. He showed me how a Christian should live every day of his life. I shall miss you big brother, but I know you are happy in your new home.
