“ I have the fondest memories of Willa Mae. I was a really little girl when I met Deana and the family. They always treated me as family and I felt like family. Willa Mae gave me the first strawberry shortcake I ever had. She and Shelvy let me stay at their house for days at a time with Deana. I love this family and my heart breaks for them all. May God give you his peace and comfort ❤️

Willa Mae was my Sister-in-law for fifty three years and we shared many family functions at the Nichols home place; we have laughed, cried, and talked together many times over the years. She was loved deeply by her husband, family, children, and many friends. She will be missed, but Heaven is the best place to be after this life. See you there Willa.
