“ We lived a few houses down from Jack and Vivian many years ago. They were the first people in the neighborhood to welcome us and we spend many happy hours visiting. Terry, Jack and Vivian were all Ham Radio Operators and the friendship grew over radio conversations. I remember many "Ham" Christmas dinners and picnics visiting with them sharing vacation stories, and memories. Jack was a very special man and will be missed by all who knew him. Our condolences to Garry and his family during this difficult time.
